DYNAMIC DISPLAY

Orient 920

Finish Print Size: 35.5”w x 89.75”h
Visual Area: 35.5“ w x 83.75“h

Hardware requires 1/2” at top for hanging rail and 6“ at the bottom for the retractor mechanism.

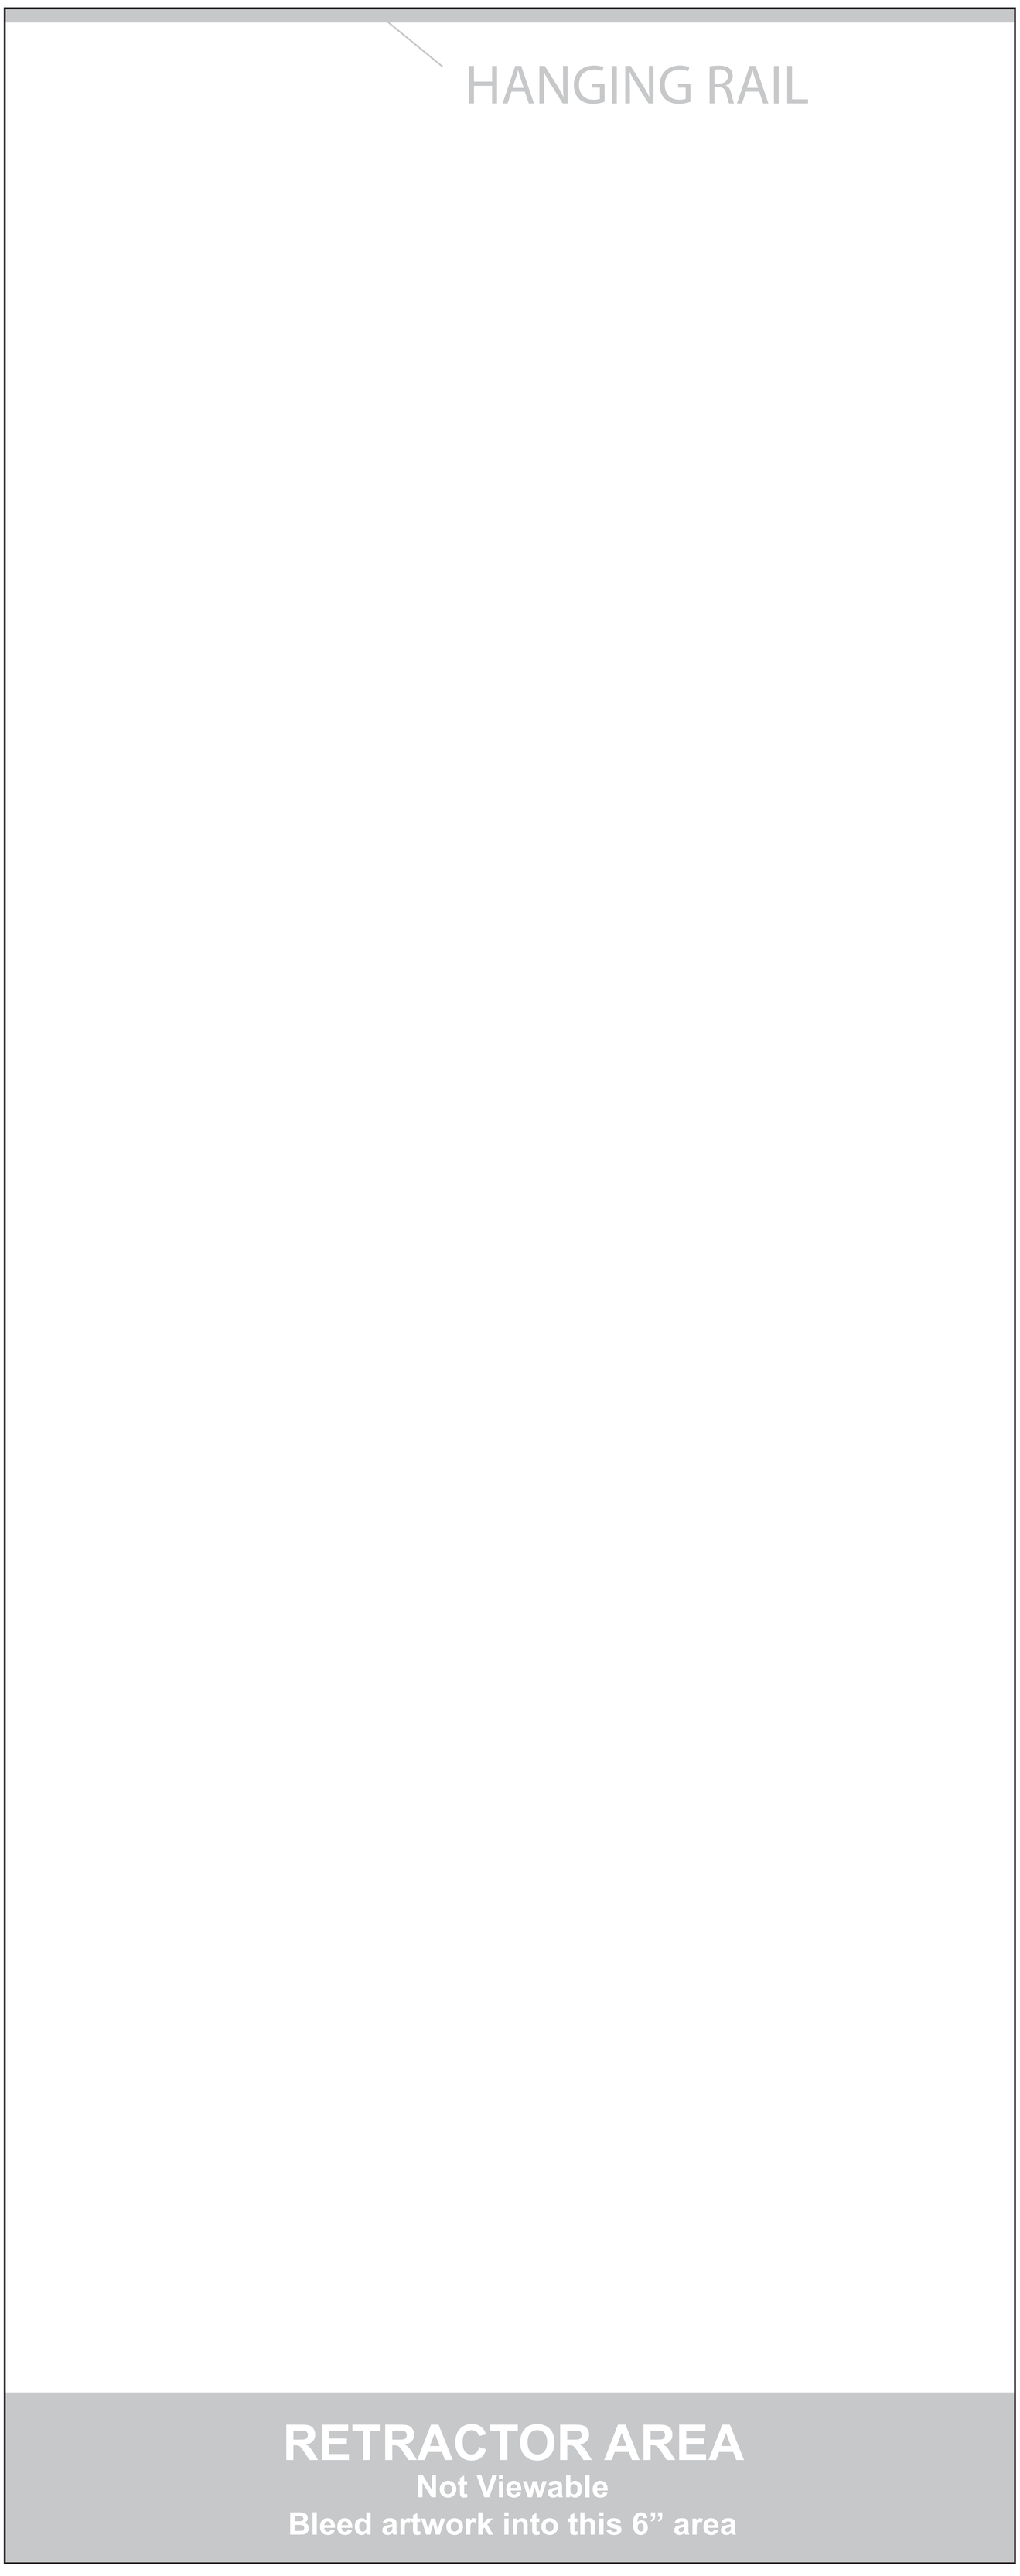
Graphics that bleed off the edges require additional bleeds for trimming.

- Inkjet graphics: Add an additional 1/2” to each of the 4 sides
- Dye Sublimated Graphics: Add an additional 2” to each of the 4 sides (very important)

General Guidelines

CMYK Color
Don’t embed images, supply them
Resolution between 100-120 ppi
Convert fonts to outline or provide them
Spec critical colors in PMS solid coated

Support: 1-888-318-8282

35.5” wide


83.75” + 6” bottom bleed
